

# Private Line

## About Access2Go

Access2Go, Inc. is a leading national provider of Data, Voice and Internet to small, medium and large business. By offering unparalleled support and product selection we have grown into the Premier Switchless Carrier in the marketplace.

Access2Go, Inc. has relationships with (IXC's), Local Exchange Companies (LEC's) Competitive Local Exchange Companies (CLEC's) and Competitive Access Providers (CAP's). We have developed a comprehensive method that allows us to map out the solutions and paths that are best for a given customer regardless of whether they are on one carrier or across networks.

## Offerings

When security, dependability, and integration are your top priorities, Private Line Services are the perfect solution. If your business locations frequently exchange data, transfer files or need to access information, then Private Line is the ideal solution.

You cannot buy better protection for your mission-critical applications. Private Line Services feature high-speed, high quality, reliability, and seamless security.

Our Private Line Service includes point to point or multi-point facilities, offering premier solutions for transmitting data-intensive applications.
